

diggspace

engage with your employees

Dive deep into a Digital Workplace

DiggSpace is a ready-to-use internal communication portal that empowers you to build an Intranet in a blink of an eye.

Engagement

Integrated Digital Workplace interface for all employees

Easy to setup

Ready-made Platform but still with your identity

Office 365 Integration

Quickly access your groups, teams and documents

Have more of Office 365 here!

Add DiggSpace events to your Outlook calendar with just one click.

Embed PowerApps, Microsoft Stream or any other Microsoft 365 app on DiggSpace content

Find your Groups and quickly access their SharePoint sites, document libraries or Microsoft Teams channels.

Rapidly access your latest documents, no matter where they are: OneDrive, SharePoint, Teams, etc

No Office 365 for everyone? Your entire organization can take advantage of DiggSpace, even collaborators without O365. Whether you are local or global Company, small or large, DiggSpace will set your Digital Workplace apart.
